

Hi Tony,

Just a short note to let you know how happy I am with the job you guys did for me at 3031 S. 37<sup>th</sup> St.

Everything from start to finish was done professionally and well done. I had the pleasure of being with the guys at the site whenever I could. They guys are very hard workers and answered the questions that I had.

I was truly amazed at how well the basement wall turned out. The new sidewalks have improved the home site tremendously. The grading put the final touch on the project. If you would like to use me as a reference, I would be glad to help.

Thanks again,

PS. You have a great crew. Please let them know that I appreciate their awesome work.
